

Cataract and Intraocular Refractive Surgery

21 - 25 November 2016, Lugano, Switzerland

Scientific Coordinator: José L. Güell, Spain

MONDAY, 21 NOVEMBER 2016		
09:00	- Intraocular lens optics and haptic design, aberrations - Multifocal IOL's/Dislocated IOLs	Roberto Bellucci, Italy
10:30	COFFEE BREAK	
11:00	- Pediatric cataract surgery - Anesthesia	
12:30	LUNCH	
13:30 - 16:30	Wet-Lab: - Phacoemulsification - IOL implantation of technique - Video/Case report: challenging cases and complications in cataract and intraocular refractive surgery	Roberto Bellucci, Italy
TUESDAY, 22 NOVEMBER 2016		
09:00	- Phaco tricks for nuclear cataract and different grade - Challenging phacoemulsification procedures	Yury Takhtaev, Russia
10:30	COFFEE BREAK	
11:00	Concepts for surgical management	
12:30	LUNCH	
13:30 - 16:30	Wet-Lab: - Concepts for surgical management	Yury Takhtaev, Russia
WEDNESDAY, 23 NOVEMBER 2016		
09:00	- Cataract surgery after CRS (Corneal Refractive Surgery) - The use of toric pseudophakic IOL's	Mercè Morral, Spain
10:30	COFFEE BREAK	
11:00	Artisan-Artiflex phakic and aphakic IOL implantation	
12:30	LUNCH	
13:30 - 16:30	Wet-Lab: - Phacoemulsification step by step	Filippo Simona, Switzerland & Antonio Scialdone, Italy
THURSDAY, 24 NOVEMBER 2016		
09:00	- Cataract surgery on compromised corneal endothelium - Case discussion on complicated cataract cases: dense mature cataract, pseudoexfoliation syndrome and subluxation lens	Antoni Sabala, Spain
10:30	COFFEE BREAK	
11:00	Iris and its management	
12:30	LUNCH	

Cataract and Intraocular Refractive Surgery

21 - 25 November 2016, Lugano, Switzerland

Scientific Coordinator: José L. Güell, Spain

THURSDAY, 24 NOVEMBER 2016		
13:30 - 16:30	Wet-Lab: - Video tutorial on subluxated IOLs fixation	Antoni Sabala, Spain
FRIDAY, 25 NOVEMBER 2016		
09:00	- The selection of patients for advanced technology intra-ocular lenses using topography, tomography, aberrometry: how to stay away from unhappy its - The new biometric principle: how to correct presbyopia with mono-focal IOLs and no mono vision	Paolo Vinciguerra, Italy
10:30	COFFEE BREAK	
11:00	How to make femtocataract transition easy and safe	
12:00 - 12:30	Test, certificates and farewell
